UK SOCCER SUMMER CAMP 2014

The UK International Soccer Camp is once again coming back to Ridgecrest this summer. UK International was established in 1990. Since that time, they have developed an excellent reputation and have become one of the largest providers of soccer instruction within the Western United States. Don't miss out this year!

UK International coaches are primarily from Great Britain and have been specially selected for their expertise in teaching children the game of soccer. The camp program is age appropriate; child centered and designed to work on specific technical skills and tactical situations. The coaches work with the same group of children for the whole week and establish a rapport that supports the development of the individual player.

UK International Soccer Camps is an excellent day camp program for all soccer players in the Ridgecrest area from 4 - 16 years of age. On the Saturday after camp from 9 am - 12 noon there will be a free Coaches Clinic (10 people minimum), a Striker's Clinic for \$20 per player and a Goalkeeper's Clinic for \$20 per player.
